

Borewells Installed in the Villages of Badami Taluk

976. SRI B. B. CHIMMANAKATTI (Badami).—Will the Minister of Rural Development be pleased to state that.—

- a) How many Borewells have been drilled in different villages of Badami Taluk (yield of each village);
- b) What is the action taken by Government for the remaining problem villages till Jan. 1984;
- c) Out of the above Borewells, how many are out of order and action taken thereon;
- d) Under the NRWS/ARWS Programme for 83-84 and 84-85 how many Borewells sanctioned for villages;
- e) If so, action taken by Govt. for the implementation of all the sanctioned schemes?

SRI ABDUL NAZEER SAB (Minister for Rural Development and Panchayat Raj).—

- a) 286 successful Borewells have been drilled (villagewise yield data is furnished separately).
- b) No problem village is left out.
- c) Of the above 286 Borewells, 62 were out of order and subsequently 47 have been repaired and that the remaining 15 are being repaired.
- d) Under the NRWS/ARWS Programme for 1983-84, 33 and 3 Borewells have been sanctioned respectively. The programme for 1984-85 is being approved.
- e) Out of the above programme 18 successful Borewells have been drilled and the remaining 18 Borewells will be completed by the end of March 1984.

Scarcity of Drinking water in Basarikatte Village of Hungund Taluk

875. SRI MALLIKARJUNA V. BANNI (Guledagudda).—Will the Minister of Rural Development and Panchayat Raj be pleased to state that.—

- 1) Whether it has come to the notice of Govt. that there is scarcity of drinking water during summer of every year in Basarikatti Village, Hungund Taluka and Guledgud Assembly Constituency?
- 2) Is it a fact that there is no river or nalla to this village?
- 3) Whether any representations have been received by Govt. regarding insufficient water tapped from the deep borewells drilled in this Village.
